## Pursuit OS 315

**ANGLERS WHO LIKE TO** overnight in the canyons will appreciate the amenities of Pursuit's OS 315 Offshore. All of the fishing essentials are here, including a 32-gallon live well, a built-in cooler and dual fishboxes. Reinforced gunwales support downrigger mounts, and clever hatch design simplifies rod storage. It's not hard to get comfortable with V- and mid-berths, a galley and head. A run across Sanibel Harbor showed us that this beefy hull gobbles up the chop with ease. **Pursuit Boats; (800) 947-8778; www.pursuitboats.com**
